

**1. What is your experience with programming?**

User 1:  <input type="checkbox"/> Beginner <input type="checkbox"/> Intermediate <input checked="" type="checkbox"/> Advanced	User 2:  <input type="checkbox"/> Beginner <input type="checkbox"/> Intermediate <input checked="" type="checkbox"/> Advanced	User 3:  <input checked="" type="checkbox"/> Beginner <input type="checkbox"/> Intermediate <input type="checkbox"/> Advanced	User 4:  <input checked="" type="checkbox"/> Beginner <input type="checkbox"/> Intermediate <input type="checkbox"/> Advanced
-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------

**2. Have you taken CS240 before?**

User 1:  <input type="checkbox"/> Yes <input checked="" type="checkbox"/> Currently taking it <input type="checkbox"/> No	User 2:  <input type="checkbox"/> Yes <input checked="" type="checkbox"/> Currently taking it <input type="checkbox"/> No	User 3:  <input type="checkbox"/> Yes <input type="checkbox"/> Currently taking it <input checked="" type="checkbox"/> No	User 4:  <input type="checkbox"/> Yes <input type="checkbox"/> Currently taking it <input checked="" type="checkbox"/> No
---------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------

**3. How easy was it to understand how to play the game?**

User 1:  <input type="checkbox"/> Easy <input checked="" type="checkbox"/> Average <input type="checkbox"/> Difficult	User 2:  <input type="checkbox"/> Easy <input type="checkbox"/> Average <input checked="" type="checkbox"/> Difficult	User 3:  <input type="checkbox"/> Easy <input type="checkbox"/> Average <input checked="" type="checkbox"/> Difficult	User 4:  <input type="checkbox"/> Easy <input checked="" type="checkbox"/> Average <input type="checkbox"/> Difficult
-----------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------

**4. Was the difficulty system (easy/medium/hard) clear and fair?**

User 1:  <input checked="" type="checkbox"/> Yes, very clear <input type="checkbox"/> Neutral <input type="checkbox"/> Very confusing	User 2:  <input checked="" type="checkbox"/> Yes, very clear <input type="checkbox"/> Neutral <input type="checkbox"/> Very confusing	User 3:  <input checked="" type="checkbox"/> Yes, very clear <input type="checkbox"/> Neutral <input type="checkbox"/> Very confusing	User 4:  <input type="checkbox"/> Yes, very clear <input checked="" type="checkbox"/> Neutral <input type="checkbox"/> Very confusing
---------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------

**5. How enjoyable was the overall gameplay?**

User 1:  <input type="checkbox"/> Very fun <input type="checkbox"/> Neutral <input checked="" type="checkbox"/> Not very fun	User 2:  <input type="checkbox"/> Very fun <input checked="" type="checkbox"/> Neutral <input type="checkbox"/> Not very fun	User 3:  <input type="checkbox"/> Very fun <input checked="" type="checkbox"/> Neutral <input type="checkbox"/> Not very fun	User 4:  <input type="checkbox"/> Very fun <input type="checkbox"/> Neutral <input checked="" type="checkbox"/> Not very fun
------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------

**6. Were the CS240/C++ questions appropriate for your level?**

User 1:  <input type="checkbox"/> Too easy <input checked="" type="checkbox"/> Good level <input type="checkbox"/> Too difficult	User 2:  <input type="checkbox"/> Too easy <input checked="" type="checkbox"/> Good level <input type="checkbox"/> Too difficult	User 3:  <input type="checkbox"/> Too easy <input type="checkbox"/> Good level <input checked="" type="checkbox"/> Too difficult	User 4:  <input type="checkbox"/> Too easy <input checked="" type="checkbox"/> Good level <input type="checkbox"/> Too difficult
----------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------

**7. Did answering C++ questions help you learn or review CS240 topics?**

User 1:  <input checked="" type="checkbox"/> Yes, a lot <input type="checkbox"/> Not much <input type="checkbox"/> Not at all	User 2:  <input checked="" type="checkbox"/> Yes, a lot <input type="checkbox"/> Not much <input type="checkbox"/> Not at all	User 3:  <input type="checkbox"/> Yes, a lot <input checked="" type="checkbox"/> Not much <input type="checkbox"/> Not at all	User 4:  <input type="checkbox"/> Yes, a lot <input checked="" type="checkbox"/> Not much <input type="checkbox"/> Not at all
-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------

### 8. How do you rate the overall design?

User 1:  <input type="checkbox"/> Excellent <input type="checkbox"/> Good <input checked="" type="checkbox"/> Poor	User 2:  <input type="checkbox"/> Excellent <input checked="" type="checkbox"/> Good <input type="checkbox"/> Poor	User 3:  <input type="checkbox"/> Excellent <input checked="" type="checkbox"/> Good <input type="checkbox"/> Poor	User 4:  <input type="checkbox"/> Excellent <input type="checkbox"/> Good <input checked="" type="checkbox"/> Poor
--------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------

Thoughts and suggestions:

### 1. What was your favorite part of the game?

User 1: The possibility of answering questions for review	User 2 :Reviewing for exam	User 3: The chance of people dying during the night and getting to learn more	User 4: The horror part of it was fun
-----------------------------------------------------------	----------------------------	-------------------------------------------------------------------------------	---------------------------------------

### 2. What part of the game needs the most improvement?

User 1: The explanation when starting the game is kind of confusing/not present.	User 2: The design of the game itself is not very enjoyable	User 3: You should try to make it more enjoyable, it is too bland, and I can't even use my correct answers to inspect	User 4:I think i would enjoy it more if i was able to actually see what is happening
----------------------------------------------------------------------------------	-------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------

### 3. Any additional comments?

User 1: You should add some visuals and make sure we are rewarded for correct answers	User 2:	User 3:	User 4:
---------------------------------------------------------------------------------------	---------	---------	---------
